

**CHESPROCOTT HEALTH DISTRICT
BARBERSHOPS, HAIRDRESSING AND COSMETOLOGY SHOPS CODE**

SECTION A. DEFINITIONS

For the purpose of these regulations:

(1) **“Authorized Agent”** means the person designated by the Director of Health to act for him or her in the performance of his duties.

(2) **“Barber”** means a person licensed pursuant to Chapter 386 of the General Statutes of the State of Connecticut.

(3) **“Barbering”** means the following-described practices, when done upon the head, face and neck for cosmetic purposes and done for the public, with or without compensation therefore, shall be construed as practicing the occupation of barber or master barber within the meaning of Chapter 386 of the General Statutes of the State of Connecticut:
“Shaving or trimming the beard; cutting hair, styling or cutting hairpieces and wigs; giving facial and scalp massage or application of oils, creams, lotions or other preparations, either by hand or mechanical appliances, singeing, shampooing or dyeing the hair or applying hair tonic, and applying cosmetic preparations, antiseptics, powders, oils, clays or lotions to scalp, face or neck; provided nothing in this chapter shall permit any of the services or acts herein described to be used for the treatment or cure of any physical or mental disease or ailment.”

Connecticut General Statutes Section 20-234.

(4) **“Barbershop”** means any establishment engaged in the practice of barbering for the public.

(5) **“Director of Health”** means the Director of Health of the Chesprocott Health District or his/her duly authorized representative.

(6) **“Disinfectant”** means an Environmental Protection Agency (EPA) registered product with demonstrated bactericidal, virucidal and fungicidal activity used in accordance with manufacturer’s instruction.

(7) **“Fee Schedule”** means the Permit and associated fees specified in the Annual Fiscal Year Budget adopted by the Board of Directors of the Chesprocott Health District in accordance with the provisions of the Connecticut General Statutes.

(8) **“Hairdresser/Cosmetician”** means a person licensed pursuant to Chapter 387 of the Connecticut General Statutes.

(9) **“Hairdressing and Cosmetology”** means
“the art of dressing, arranging, curling, waving, weaving, cutting, singeing, bleaching and coloring the hair and treating the scalp of any person, and massaging, cleansing, stimulating, manipulating, exercising or beautifying with the use of the hands, appliances, cosmetic preparations, antiseptics, tonics, lotions, creams, powders, oils or clays and doing similar work on the face, neck and arms, and manicuring the fingernails of any person for compensation, provided nothing in this subdivision shall prohibit an unlicensed person from performing facials, eyebrow arching, shampooing, manicuring of the fingernails, or for cosmetic purposes only, trimming, filing and painting the healthy toenails, excluding cutting nail beds, corns and calluses or other medical treatment involving the foot or ankle, or braiding hair”. Statutory Reference:

Connecticut General Statutes Section 20-250.

(10) **“Hairdressing or Cosmetology Shop/Salon”** means any establishment engaged in the practice of hairdressing, cosmetology, or barbering for the public.

(11) **“Nail Technician”** means a person who, for compensation, cuts, shapes, polishes or enhances the appearance of the nails of the hands or feet, including, but not limited to, the application and removal of sculptured or artificial nails.

(12) **“Owner”** means a person who owns a shop/salon establishment and is responsible for upholding the regulations of this chapter in all areas of the establishment, including rented and leased work areas and work stations.

(13) **“Operator”** means a person who owns, leases, or manages a shop/salon or any licensed person performing barbering, hairdressing, cosmetology or manicuring.

(14) **"Person"** means an individual, firm, partnership, company, corporation, trustee, association or any public or private entity.

(15) **"Person in Charge"** means the individual present in a barbershop or hairdressing and/or cosmetology salon/shop that is the apparent supervisor of the barbershop or hairdressing and/or cosmetology shop/salon at the time of inspection. If no individual claims to be a supervisor, then any employee present is deemed to be the person in charge for the purposes of this Code.

(16) **"Salon"** includes any shop, store, day spa or other commercial establishment at which the practice of barbering, hairdressing and cosmetology, or the services of a nail technician, or any combination thereof, is offered and provided.

(17) **"Sanitary Conditions"** means safe and clean shop/salon conditions that prevent the spread of communicable diseases and protect the public health and welfare.

(18) **"Shampoo Station"** means a shampoo station consisting of a shampoo bowl (sink) and a shampoo chair.

(19) **"Working Area"** is defined as a separate room with more than one work station, or a private room set aside to serve one customer at a time.

(20) **"Work Station"** is defined as a chair, countertop and floor space set aside for the purpose of serving a customer, including floor space for the operator to stand while serving the customer.

SECTION B. PURPOSE

The purpose of this Code and its standards is to regulate sanitary conditions at barbershops, hairdressing and cosmetology shops/salons in a way that will:

1. Protect and promote public health, safety, and welfare.
2. Prevent the spread of disease including, but not limited to, viral, bacterial, and fungal infections.

SECTION C. PERMITS

(1) No person shall maintain or operate any barbershop or hairdressing and/or cosmetology salon/shop without having a valid permit issued by the Director of Health. Only a person who complies with the requirements of this Code shall be entitled to receive or retain such a permit. An individual contractor renting space, including a work area or workstation, in any barbershop or hairdressing and/or cosmetology salon/shop shall receive or retain a valid permit.

(2) Any person who knowingly or willfully owns, operates or maintains a barbershop or hairdressing and/or cosmetology salon/shop establishment in the Chesprocott Health District without a valid current permit issued by the Director of Health shall be fined in accordance with the fee schedule. Such fine shall be in addition to the regular permit fee and/or any other fees or penalties. Each day of operation in violation of this code after receipt of notice shall be considered a separate offense. In addition, said violation shall be considered sufficient grounds for the denial of a pending permit or subsequent permit application by said violator or any partner, shareholder, director, officer, trustee or other fiduciary of said violator until corrected.

(3) Every barbershop or hairdressing and/or cosmetology salon/shop must comply with local Planning and Zoning regulations and all other applicable codes before being issued a permit.

(4) Application for a permit shall be made on forms furnished by the Director of Health, wherein the applicant shall state his/her full name(s) and address(es), and whether such applicant is an individual, firm or association, including but not limited to, any partnership, limited partnership, limited liability partnership, limited liability company, corporation, trust or estate, and if not an individual, the name(s) of the partners, members, officers, or if applicable, the duly authorized representative thereof, including but not limited to, a fiduciary, trustee, or receiver, together with their addresses, establishment name, the address of the place of business, and such other pertinent information as the Director of Health may require and affix his or her signature to the application. All permits are valid for one (1) year and are renewable on or before February 1 of each year.

(5) Every applicant for a Chesprocott Health District permit to operate a barbershop or hairdressing and/or cosmetology shop/salon shall pay an annual permit fee as listed in the fee schedule determined by the Chesprocott Health District

Board of Directors.

(6) No permit shall be issued or renewed until a completed application has been submitted, the permit fee has been paid and the applicant's barbershop or hairdressing and/or cosmetology salon/shop meets the requirements set forth in this Code and all other applicable state and local regulations. Any person who does not make application for the renewal of his cosmetology permit before the expiration date of such permit shall be required to pay to the Director of Health a permit renewal late fee of fifty dollars (\$50)

(7) Permits shall be valid until the expiration date indicated on the permit unless suspended or revoked by the Director of Health, or until such time as the facility changes owners, closes, or goes out-of-business.

(8) Permits shall not be transferable from person to person or from location to location. Any planned change in ownership of a facility must be reported promptly to the Chesprocott Health District and such changes must be approved by the Chesprocott Health District prior to the issuance of an operating permit.

(9) Permits(s) must be displayed in a prominent location within the establishment where patrons can observe it.

SECTION D. ANNUAL INSPECTIONS

(1) The Director of Health shall promulgate such rules and procedures as are necessary to ensure compliance with this Code.

(2) At least once a year, the Director of Health, or his/her authorized agent, shall inspect each barbershop, hairdressing and/or cosmetology shop/salon and shall make as many additional inspections as are necessary for the enforcement of this Code and the Public Health Code of the State of Connecticut.

(3) The Director of Health, or his/her authorized agent, after proper identification, shall be permitted to enter, during normal operating hours, any portion of any barbershop or hairdressing and/or cosmetology shop/salon for the purpose of making inspections to determine compliance with this Code and the Public Health Code of the State of Connecticut.

(4) In the event that the Director of Health finds unsanitary conditions in the operation of a barbershop or hairdressing and/or cosmetology shop/salon, or if a violation or set of violations appears on two (2) or more consecutive inspection reports, the Director of Health may immediately issue a written notice to the permit holder, or person in charge, citing such conditions, specifying the corrective action to be taken and time frame within which such action shall be taken. If corrective action is not made in the allotted time, the permit may be revoked or suspended.

SECTION E. PERMIT SUSPENSION

(1) Failure to comply with the provisions of this Code and applicable state regulations shall be grounds for revocation or suspension of any permit issued under the provisions of this Code.

(2) The Director of Health may suspend, without warning, prior notice or hearing, any permit to operate a barbershop or hairdressing and/or cosmetology shop/salon if,

(a) The owner, operator or person in charge has interfered with the performance of the Director of Health's duties.

(b) The operation constitutes an imminent hazard to public health including, but not limited to, any one of the following:

(i) There is an ongoing outbreak of an infectious, pathogenic or toxic agent capable of being transmitted to consumers.

(ii) There is an absence of potable water, supplied under pressure, in a quantity which, in the opinion of the Director of Health, is capable of meeting the needs of the facility.

(iii) There is a sewage backup into the facility.

(iv) An unpermitted individual is performing procedures requiring licensure by the Connecticut General Statutes or the Public Health Code.

(3) Suspension shall be effective immediately upon delivery of the written order to the permit holder or person in charge of the facility by the Director of Health. When a permit is suspended, all barbershop, hairdressing and/or cosmetology shop operations shall cease immediately and shall not resume until written approval to resume has been issued by the Director of Health. The Director of Health, or his/her authorized agent, shall remove a suspended permit from the premises.

(4) When a permit is to be suspended, the holder of a permit, or the person in charge, shall be notified in writing of the suspension, and an opportunity for a hearing will be provided if a written request for hearing is filed with the Director of Health by the holder of the permit within two (2) business days. If no written request for a hearing is filed within two (2) business days, the suspension is sustained. The Director of Health may end the suspension at any time by giving written notice to the permit holder if reasons for suspension no longer exist.

(5) Upon receiving a request for a hearing, the Director of Health shall schedule a hearing not later than ten (10) business days from the date of actual receipt of the request to afford the owner the opportunity to present evidence and argument on all facts or issues involved to examine the merits of such suspension.

(6) The Director of Health shall examine the merits of such suspension and render a decision in writing to vacate, modify, or affirm such suspension within ten (10) business days of the date of the hearing held under this section.

(7) The permit holder who is aggrieved by such action of the Director of Health may, within forty-eight (48) hours after the making of such decision, appeal to the Commissioner of Public Health.

SECTION F. PERMIT REVOCATION/FAILURE TO RENEW

(1) The Director of Health, after providing opportunity for hearing, may revoke or refuse to renew the permit of any person for serious or repeated violations of any of the provisions of this Code, or for interference with the Director of Health in the performance of his or her official duties or for cases where the permit to operate has been obtained through nondisclosure, misrepresentation or intentional misstatement of a material fact.

(2) Prior to revocation or failure to renew, the Director of Health shall notify the permit holder, or person in charge at the facility, of the specific reason(s) for such revocation or non-renewal, and that permit shall be revoked or not renewed at the end of ten (10) calendar days following service of such notice, unless a written request for hearing is filed with the Director of Health by the holder of the permit, or the person in charge of the facility, within two (2) business days of such notice. If no request for a hearing is filed within two (2) business days of such notice, the revocation or non-renewal becomes final. The Director of Health shall remove a revoked permit from the premises.

(3) If a written request for a hearing is filed with the Director of Health by the permit holder, or the person in charge of the facility, within two (2) business days following the service of such notice, the Director of Health shall thereupon schedule a hearing not later than five (5) business days from the date of the actual receipt of the request to afford the owner the opportunity to present evidence and argument on all facts or issues involved.

(4) The Director of Health shall examine the merits of such revocation and render a decision in writing to vacate, modify, or affirm such revocation within ten (10) business days of the date of the hearing held under this section.

(5) The permit holder, or person in charge, who is aggrieved by such action of the Director of Health may, within forty-eight (48) hours after the making of such decision, appeal to the Commissioner of Health.

SECTION G. PERMIT REINSTATEMENT

(1) Suspension

Whenever a permit has been suspended, the holder of the suspended permit may make written request for permit reinstatement. Within ten (10) business days following receipt of a written request, including a statement signed by the applicant that, in his or her opinion, the conditions causing the suspension have been corrected, the Director of Health, or his or her authorized agent, shall make a re-inspection. If the Director of Health determines that the applicant has complied with the requirements of this Code and the State Public Health Code, the permit shall be reinstated and returned to the permit holder.

(2) Revocation/Failure to Renew

After a period of sixty (60) calendar days from the date of revocation or refusal to renew, a written application may be made for the issuance of a new permit. This application will be treated as a new application. All appropriate procedures and inspections will be required.

SECTION H. HEARINGS

The Director of Health shall designate a time and place to conduct the hearings provided for in this Code. The Director of Health shall summarize the proceedings of such hearings and provide sufficient copies. The Director of Health shall make a final finding based upon the complete hearing record, and shall sustain, modify or rescind any notice or order considered in the hearing. The Director of Health shall furnish a written report of the hearing decision to the permit holder within ten (10) business days of the hearing date. A request for a hearing shall not stay any revocation, suspension or denial of a permit until such time as a hearing has been held and a decision rendered thereon.

SECTION I. SERVICE OF NOTICES

A notice or order provided for in this Code is properly served when it is delivered to the permit holder, or person in charge, or when it is sent by registered or certified mail, return receipt requested, to the last known address of the holder of the permit. A completed and signed inspection report shall constitute a written notice.

SECTION J. PLAN REVIEW AND PRE-OPERATIONAL INSPECTIONS

a) No barbershop, hairdressing and/or cosmetology shop having a permanent location shall be relocated, constructed, remodeled or extensively altered, nor shall a structure be converted to use as a barbershop and/or cosmetology shop, except in accordance with plans and specifications approved by the Chesprocott Health District.

b) Properly prepared plans and specifications for such construction, remodeling or alteration shall be submitted to the Director of Health, or authorized agent, for review and approval before relocation, construction, remodeling, alteration, or conversion is begun. The plans and specifications shall indicate the proposed layout, arrangement and construction materials of work areas and the type and model of proposed fixed equipment and facilities. The plans and specifications shall be submitted with forms furnished by the Director of Health. The Director of Health shall approve the plans and specifications if they meet the requirements of this chapter and the State of Connecticut Public Health Code.

c) Prior to the barbershop's hairdressing and/or cosmetology shop's opening, the Director of Health, or authorized agent, shall conduct a pre-operational inspection to determine compliance with the approved plans and specifications and with the requirements of this chapter and State of Connecticut Public Health Code.

SECTION K. FACILITIES

1) Work stations in hair cutting work stations shall be at least fifty-four (54) inches apart, center to center. Those premises in operation prior to February 1, 2013 are exempt from this requirement.

a) A two (2)-foot wide workspace shall be maintained behind each chair for the operator. Those premises in operation prior to February 1, 2013 are exempt from this requirement.

b) Three (3)-foot wide aisles that are separate and discrete from work areas shall be maintained throughout the shop. Those premises in operation prior to February 1, 2013 are exempt from this requirement.

- c) No hair dryers shall be placed in any waiting room or encroach on the required three (3)-foot wide aisle space. Those premises in operation prior to February 1, 2013 are exempt from this requirement.
- d) Attachment A provides a schematic example for the proper design of the floor plan.
- e) Mobile stations must be designed to provide the same workspace and separating distances as fixed stations. For a mobile station, it is assumed that the dryer can be accommodated in the workspace designated for the operator. Those premises in operation prior to February 1, 2013 are exempt from this requirement.

2 Barbershop, Hairdressing, Cosmetology or Nail Salon in Residence

- a) A salon located in a residence must be confined to a separate room, separated with ceiling-high partitions and provided with a door to be closed at all times.
- b) The area within a home operated as a salon must be equipped with the facilities and instruments required in all such establishments.

SECTION L - SANITATION

(1) General Cleanliness

Each shop/salon shall be maintained to provide a safe and sanitary environment. All supplied facilities shall be kept clean, sanitary and in good repair.

(2) Disinfection of Reusable Equipment

- a) After each use on a patron, all electrical and non-electrical instruments shall be thoroughly cleaned to remove foreign matter, treated with an approved disinfectant and stored in a protected manner until their next use.
- (b) Disinfectants shall be changed in accordance with the manufacturer's instructions to ensure complete disinfection. No sediment from the item being disinfected shall be allowed to remain in the bottom of the disinfection container.
- (c) Ultraviolet disinfection is prohibited.
- (d) The following chemical methods constitute satisfactory sanitization of implements. No method is considered effective without prior thorough cleaning with detergent (soap, trisodium phosphate, etc.).

<u>Disinfectant</u>	<u>Type of Use</u>	<u>Comments</u>
Quaternary ammonium Compounds	1:1000 dilution for 30 seconds	Odorless, non-toxic, highly stable and non-Corrosive
Boiling water carbonate	5 minutes will prevent rusting	The addition of 1% sodium
Lysol (or compound cresol solution or phenolic compound)	5% solution for 3 min. 2% solution for 10 min.	For use on colored gowns or towels
Commercial formalin	10% solution for 1 min.	May be irritating; Deteriorates on standing
Alcohol (70% ethyl alcohol or 99% isopropyl alcohol)	3 minutes	

Lubricant sanitizer	Combination	Recommended for electric clippers {see section (g) below}
Other EPA-registered disinfectants		Use according to the manufacturer's Instructions

(e) Chemicals suitable for low temperature washing (less than or equal to 158°F.) of towels and linens shall be used. Lysol or household bleach (sodium hypochlorite) shall be used according to manufacturers' specifications. Color safe bleach may not be used.

(f) Non-chemical methods of sanitizing must be approved in writing by the Director of Health. Equipment specifications shall accompany requests for approval.

(g) Electric Clipper Sanitizing Techniques

The following are recommended sanitizing techniques for electric clippers:

(1) Detachable Head-Type (Sanitary Design):

- a) Detach blades.
- b) Clean thoroughly.
- c) Immerse in effective sanitizer for required time.

(2) Non-detachable Head-Type:

- a) Place covered shallow glass jar at work shelf opposite every barber chair.
- b) After use, brush out excess hair and grease; wipe cutting blades clean.
- c) Immerse blade in combination lubricant-sanitizer, run clipper while immersed for ten (10) seconds.
- d) Remove clipper and allow blades to drain for ten (10) minutes on a clean towel or tissue, preferably in a cabinet reserved for tools already sanitized and ready for use. Wipe blades clean with a fresh disposable tissue.

(3) Disposable and Single-Use Equipment

(a) Disposable or single-use articles shall be disposed of in a waste receptacle after use on each patron unless stored in a separate closed, clean container labeled with the patron's name and used only on that patron.

(b) All disposable or single-use articles that come into contact with blood and/or body fluids shall be enclosed in sealable plastic bags prior to placing in the waste receptacle.

(c) All sharp or pointed articles shall be disposed of in a puncture-proof container.

(4) Sanitation of Foot Spas, Water Baths, and Fingerbowls

(a) An anti-microbial additive shall be placed in each foot spa or water bath during use.

(b) After each patron, the shop/salon shall drain all water and debris, properly disinfect, and dry the foot spa or water bath.

(c) At the end of each day, the shop/salon shall remove and immerse any filter in disinfectant and flush the foot spa or water bath with low sudsing soap and water.

(d) The use of finger bowls for manicuring purposes is allowed, but the finger bowl must be properly cleaned and sanitized after each customer. Disposable, single-use finger bowls may be used.

(5) Prohibited Equipment and Products

(a) It is prohibited to use or store the following items in a shop/salon except for display or historical purposes:

- 1. A lancet or any other device used to break the skin
- 2. A razor blade (Credo blade) callus shaver
- 3. Shaving brushes, shaving mugs, and brush neck dusters.
- 4. Any substance banned by the Food and Drug Administration, including liquid methyl methacrylate monomer (MMA) and methylene chloride.

(b) Materials to stop the flow of blood may be used only in liquid or powdered form.

(6) Towels/Linens

(a) Clean, properly laundered or disposable towels shall be used for each patron.

(b) All linens and towels shall be deposited in a covered cleanable receptacle after each patron. The receptacle must be maintained in a sanitary manner. Chemically soiled towels and linens must be stored in fire retardant containers.

(c) Clean towels and linens shall be stored off the floor in a clean, protected location.

(d) Clean towels shall be delivered in a closed container and kept in a clean, closed cabinet or closet. A commercial linen service shall be used for laundering if not done on the premises.

(e) A sanitizing agent shall be used when washing towels and linens on the premises

(7) Neck Protection and Capes

(a) A sanitary neck strip or clean towel shall be placed around a patron's neck so that the cape does not come in contact with the skin of the neck.

(b) Neck strips shall be discarded after use on each patron.

(c) Capes shall be cleaned as often as necessary to ensure a sanitary condition and shall be stored off the floor between uses.

(8) Headrest Cover

(a) The headrest of chairs shall be covered with a single-use disposable cover.

(9) Cosmetics

(a) When only a portion of a cream, liquid, powder or other cosmetic preparation is to be removed from the container, it shall be removed in such a way as not to contaminate the remaining portion.

(b) Multi-use of cosmetic applicators is prohibited. This includes the use of lipsticks, powder puffs, makeup brushes and sponges, which are not disposable.

(c) Lotions and powders shall be dispensed from a sanitary self-dispensing container.

(d) Eyebrow pencils shall be sharpened after each use.

(10) Operators

(a) Operators shall thoroughly wash their hands with soap and water immediately after using the toilet, eating or smoking. Before serving each customer, operators shall thoroughly wash their hands with soap, shampoo or hand disinfectant.

(b) No operator shall smoke, eat or drink at the workstation.

(c) Operators shall wear clean, washable garments.

(d) Combs and other instruments shall not be placed or carried in the pockets of the operator.

(e) No operator shall remove warts or moles or treat any disease of a patron, nor perform any medical procedure, such as an injection, nor dispense any medical device.

(f) No operator shall knowingly serve any patron who is afflicted with impetigo, barber's itch, lice, nits, or ringworm.

(g) After handling a customer affected with an eruption or whose skin is broken out or is inflamed or contains pus, the instruments shall be effectively cleaned, washed with soap or a detergent and water, then rinsed with water having a temperature of at least one hundred seventy degrees Fahrenheit (170°F) or allowed to remain for five (5) minutes in alcohol {seventy to eighty per cent (70%-80%)} or some other approved disinfectant or sanitizing process.

(h) All operators shall have an exclusion policy for people with a communicable disease that may be transmitted through the services of a barber, hairdresser, cosmetologist, or nail technician.

(i) No person known to be affected with any communicable disease in an infectious stage shall engage in barbering, hairdressing or cosmetology, and no person so affected shall be employed as a barber, hairdresser, cosmetician or nail technician.

(11) Animals, Pets, Reptiles or Birds

(a) No animal, pet, bird or reptile shall be allowed in the work area or other regulated areas of the shop/salon. This prohibition shall not apply to service animals for the disabled. *Statutory Reference: Connecticut General Statutes Sections 46a-42 and 46a-44.*

(12) Foods and Beverages

(a) Foods and beverages shall not be prepared, stored or sold in the permitted premises, except with a valid Food License from the Chesprocott Health District. Coffee and tea may be prepared and kept for the convenience of employees and patrons, but no charge is to be made to patrons who are served. Food and nonalcoholic beverages may, however, be brought into the permitted premises, from an approved source, for immediate consumption and also may be dispensed by means of automatic vending machines on the premises.

(b) Beverages provided to patrons shall be provided in a disposable container.

(13) Water and Plumbing

(a) Every shop/salon must have an approved water supply with sufficient hot and cold running water under pressure. Hot water at any faucet shall be a minimum of 110°F and a maximum of 115°F.

(b) All plumbing fixtures must be protected against back-siphonage or back flow.

(c) Waste water shall be discharged into municipal sewers where available or into an approved on-site sewage disposal system.

(d) Plumbing fixtures shall be clean and free from defects in accordance with provisions of the Public Health Code of the State of Connecticut.

(14) Toilet and Sink Facilities

(a) Each shop/salon shall provide adequate toilet and hand washing facilities for patrons and employees.

(b) Toilet and hand washing facilities shall be in working condition at all times, and kept clean and sanitary. A covered refuse receptacle shall be provided in the ladies room.

(c) Each hand washing sink shall have a soap dispenser and disposable towels or an air dryer for hand drying. The use of common soap is prohibited.

(d) At least one hand washing facility shall be located in, or adjacent to, each private treatment room and in each work area in order to provide for proper hand-washing before each customer.

- (e) Shampoo bowls shall be used for barbering, hairdressing, and cosmetology work only.
- (f) A utility sink shall be provided for proper cleaning of surfaces and equipment.

(15) Lighting and Ventilation

- (a) Lighting shall be sufficient to provide adequate illumination in the work area.
- (b) Windows shall be effectively screened against insects, rodents, and other vermin.
- (c) The shop shall be properly and adequately ventilated so as to remove chemical vapor emissions, excess heat and odors. Ventilation shall comply with state and local building codes and ordinances.
- (d) Nail salons using nail polishes, enamels, basecoats, hardeners, and chemical solvents are deemed to create indoor vapor emissions and shall not pollute nor negatively affect the indoor air quality of adjacent premises.
- (e) Salons providing nail technician services shall be equipped with ventilation systems in compliance with the requirements of the Connecticut Building Code.
- (f) Salons providing nail technician services that go into operation on or after February 1, 2013 at a location not previously a salon with nail technician services, and are not considered a change in use group per the Connecticut Building Code, are required to be equipped with ventilation systems in compliance with the construction standards of the Connecticut Building Code.
- (g) Salons providing nail technician services, in operation prior to February 1, 2013 may transfer ownership without compliance with the new construction nail salon ventilation standards of the Connecticut Building Code.

(16) Floors, Walls, Ceilings and Fixtures

- (a) Floors in work areas and walls must have non-porous, easily cleanable coverings and shall be kept clean and in good repair. Floors in waiting areas shall be kept clean and in good repair.
- (b) Hair clippings shall not be allowed to accumulate on floors or chairs. Hair clippings shall be removed to a covered receptacle after serving each patron.
- (c) Ceilings shall be kept clean and in good repair.
- (d) Cracks in floors, walls and ceilings shall be filled in so as to prevent the harboring of insects and rodents.
- (e) Cabinets, shelves, furniture, shampoo bowls and fixtures shall be kept clean and free of dust, dirt and hair droppings. Arms, seats, and rests of chairs shall be wiped of hair droppings after serving each customer.

(17) Refuse

Covered containers for hair droppings, paper and other waste material shall be provided and maintained in a sanitary manner. Exterior commercial refuse storage and disposal services shall be provided.

(18) SMOKING PROHIBITED

Smoking is strictly prohibited in nail salon customer service spaces and in rooms where flammable liquids are stored. No operator shall smoke while providing services to a customer. Smoking shall not be permitted in patron waiting areas

(19) CORRECTION OF NUISANCE CONDITIONS

The Director of Health may order the correction of nuisance conditions should they occur.

(20) OTHER

(a) Material Safety Data Sheets (MSDS) shall be made available to the Director of Health, or his or her designated agent, upon request.

SECTION M. UNCONSTITUTIONALITY CLAUSE

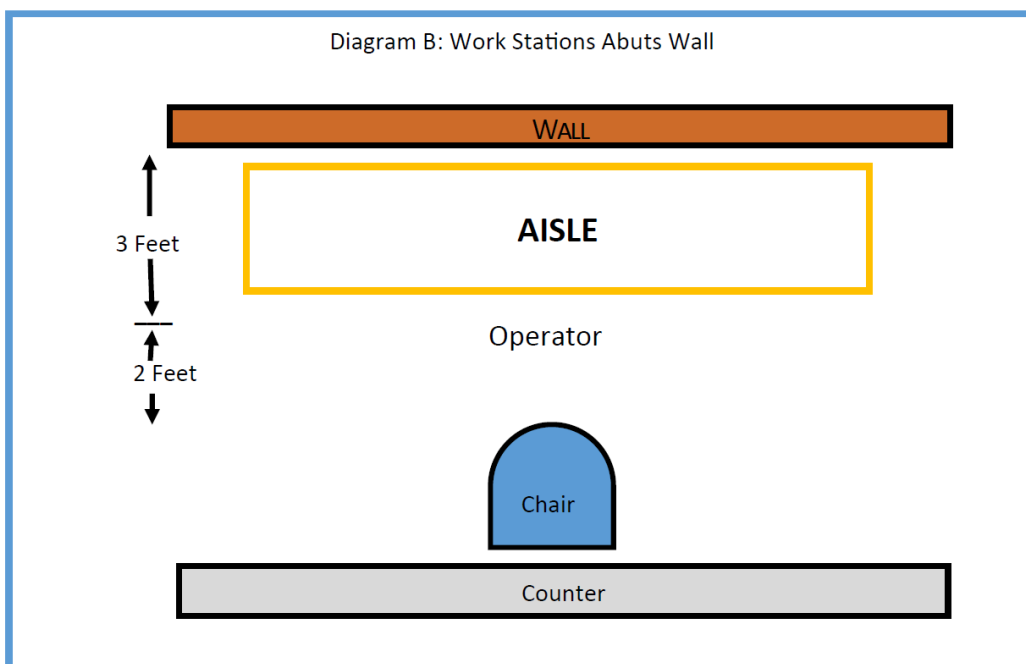

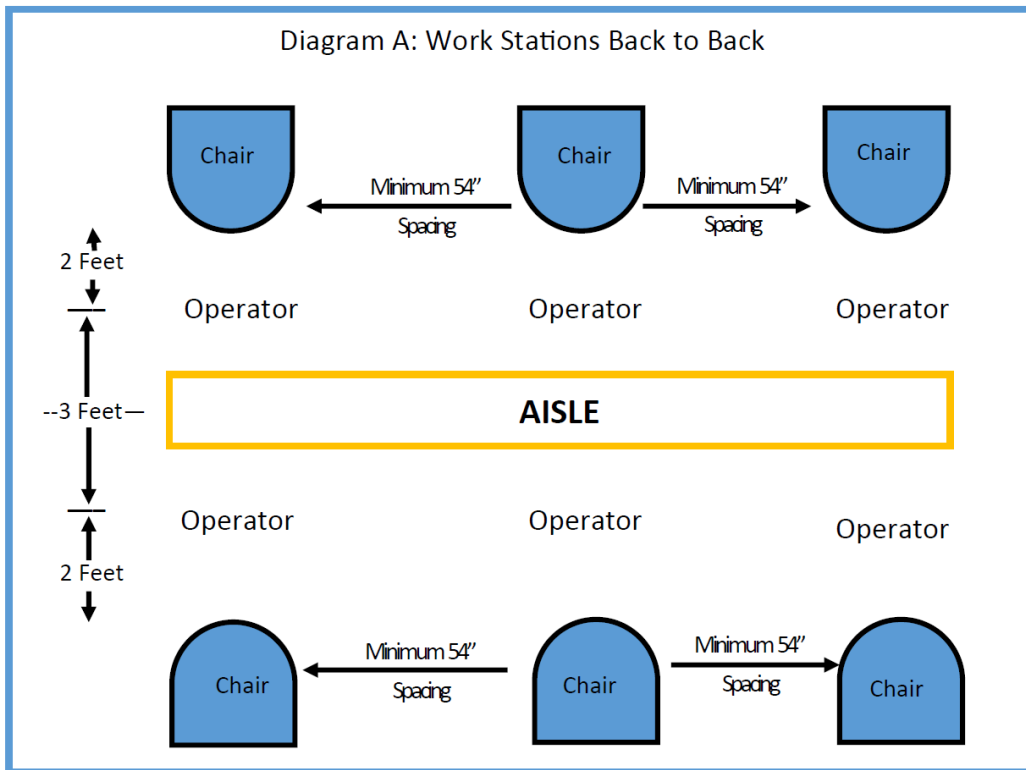

Should any section, paragraph, sentence, clause or phrase of this Code be declared unconstitutional or invalid for any reason, the remainder of said Code shall not be affected thereby.

SECTION N. CONFLICT OF REGULATIONS

In any case where a provision of this Code is found to be in conflict with a regulation of the State Department of Public Health or any other state law or regulation, on the effective date of this Code, the provision which establishes the higher standard for the promotion and protection of the health and safety of the people shall prevail.

SECTION O. EFFECTIVE DATE February 1, 2013.

Schematic Example of Proper Floor Plan Design For Barbershops, Hairdressing and Cosmetology Shops

Approved by Board of Directors – October 17, 2012
