Wellmore provides a broad continuum of behavioral health services, including treatment for emotional, mental health and substance abuse issues. We strive to maintain a high degree of accessibility and quality at an affordable cost. We participate with most insurance companies including State Medicaid (HUSKY) and will work with insurance companies to best utilize any available insurance benefits. For clients with no insurance coverage, we offer a reduced fee sliding scale based on income and household members.

A Better Choice Adolescent Outpatient Substance Abuse Program (ABC) is an adolescent outpatient substance abuse program that individually tailors treatment plans to address all aspects of a teen’s life—healthy body, mind and spirit. ABC gives youth and teens the skills and knowledge to make A Better Choice for themselves and improves their ability to function and lead healthy productive lives in our community. Professional services are rendered by a multi-disciplinary, multi-lingual, master’s level clinical team, licensed therapists and licensed alcohol and drug abuse clinicians.
